

**JIC Venture Growth Investments has invested in MFS Inc.,
providing a customer-oriented mortgage brokerage service named
"MOGE CHECK"**

March 31st, 2021

JIC Venture Growth Investments (VGI) has acquired the share in MFS, Inc. (MFS) through its JIC Venture Growth Fund 1.

With the mission of "creating a new financial service that is truly user-oriented," MFS provides "MOGE CHECK" online as its core service. "MOGE CHECK" provides customers with free information on the most suitable mortgage products in terms of interest rates, supplementary insurances, and probabilities of loan approval, and supports their mortgage applications.

The significance of this investment would be that by promoting the use of "MOGE CHECK", the matching between customers as the borrowers and financial institutions as the lenders will be facilitated and inefficiencies in the operations of financial institutions and real estate agents involved in the lending of mortgage loans could be diminished. Furthermore, by using "MOGE CHECK", customers can easily obtain highly transparent information about mortgage loan products online, understand the characteristics of each product, compare them, and then proactively make the best choice of the mortgage loan for themselves. Therefore, "MOGE CHECK" can be expected to improve the customer experience for borrowing mortgage loan.

Through this investment, VGI aims to accelerate the growth of the businesses of MFS including "MOGE CHECK" and thereby expects to improve productivity in the mortgage loan industry and promote financial services that focus on the customer experience.
